2022 AVIATOR®

ALWAYS BEGIN ON A BRIGHT NOTE

Whether your day ahead is filled with places to be, or as open as a big blue sky, the 2022 Lincoln Aviator® SUV starts it with a warm embrace. As you approach, available Lincoln Dynamic Signature Lighting flows beneath the headlamps, while the available illuminated Lincoln Star on the grille glows from within. Illuminated welcome mats and backlit door handles extend an invitation, while the Dynamic Lower Entry feature of the available Air Glide Suspension eases access for all. Every drive starts with beautiful chimes orchestrated by a world-renowned symphony as the LCD screen animation takes you soaring through blue skies. Elevate life's journey in the Aviator.

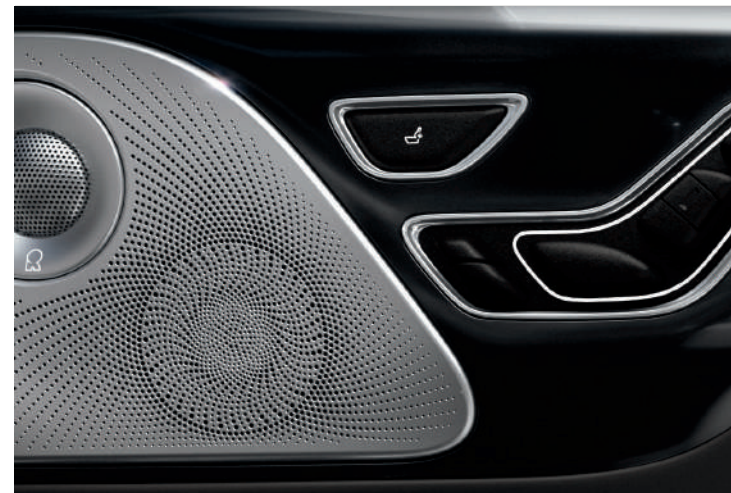

Vehicle imagery throughout this brochure may be computer-generated and may include available equipment and Lincoln Accessories.

IMMERSE YOURSELF IN ELEGANCE

Imagine a place specially designed to evoke a sense of serenity, a sanctuary where you can relax and unwind after a challenging day. The 3-row Lincoln Aviator® cabin is carefully crafted to be that place. Tuck your phone into the available wireless charging pad¹ inside the center console. Then, relax into the available 30-way Perfect Position Seats with Active Motion® massage functionality, and heated and ventilated settings. You'll also enjoy the available customizable head-up display,² which automatically adjusts the prominence of information as priorities change and is easily seen in various light conditions.

ENGAGE WITH EXCLUSIVE 3D AUDIO

You won't just hear it – you'll feel the exceptional level of precision and musical accuracy offered by the expertly engineered available Revel® Ultima 3D Audio System. Enjoy your favorites through a network of 28 speakers – including 8 in the headliner – finely tuned to the Aviator interior. It's as if you're seated in a concert hall, and listening modes like "Audience" and "On Stage" let you choose your level of immersion. Outstanding, multi-dimensional sound in every seat is courtesy of advanced cabin correction tuning, QuantumLogic® 3D Surround sound technology, and Revel Waveguides. The level of precision isn't just heard, it's felt.

¹Qi wireless charging may not be compatible with all mobile phones. ²Don't drive while distracted. See owner's manual for details and system limitations.

QuantumLogic, Revel and the Revel logo are trademarks of HARMAN International Industries, registered in the United States and other countries.

TRANSPORT UP TO 7 PASSENGERS

From short jaunts around town to epic getaways, the 3 spacious rows of seating inside the Lincoln Aviator® SUV make it easy to travel with family and friends. Seat up to 7 when you combine the 2nd-row bench seat with the standard 3rd-row PowerFold® bench seat or seat up to 6 with the available heated and ventilated 2nd-row captain's chairs, with a full center console.

Plus, up to 6 available smart-charging USB ports, a 230V power converter, and two 12V powerpoints to keep everyone's devices charged up. An available panoramic Vista Roof® brings even more joy.

ADAPT WITH REMARKABLE EASE

You'll enjoy effortless loading and unloading of people, pets and so much more using the power tip-and-slide feature on the 2nd-row outboard seats. To access the spacious cargo area¹ behind the 3rd row, simply kick your foot beneath the available hands-free liftgate. You can also press the PowerFold 3rd-row seat buttons in the rear cargo area to quickly expand your cargo-carrying possibilities.

¹Cargo and load capacity limited by weight and weight distribution.

TURBOCHARGE YOUR TRAVELS

Treat yourself to one of the most powerful and compelling engines in the Lincoln lineup: the Twin-Turbocharged 3.0-liter V6 that gives the Lincoln Aviator® best-in-class¹ standard 400 horsepower² and 563 Nm of torque.² This gasoline direct-injected engine is driven by your choice of rear-wheel drive or available Intelligent all-wheel drive. And it's mated to the 10-speed SelectShift® automatic transmission, which can adapt in real time, engaging the right gear at the right time to deliver the performance you seek.

400_{HP}² 563_{Nm}²
(265_{kW}) TORQUE²

ILLUMINATE A NEW PATH

See things in a whole new light with the groundbreaking technology in the available Illumination Package. Adaptive Pixel LED Headlamps use Speed Dependent Lighting to provide additional light, and spread it more widely at slower speeds to emphasize the area around and directly in front of the vehicle. Their Adaptive Dynamic Bending can even illuminate an upcoming curve before you steer into it. This enlightening package also includes the illuminated Lincoln Star on the grille and LED fog lamps.

¹Class is Large Crossover Premium Utility. ²Horsepower ratings based on premium fuel per SAE J1349® standard. Torque ratings based on premium fuel per ISO 1585 standard. Your results may vary.

LINCOLN
SYNC® 3

COMMAND: WITH YOUR VOICE

SYNC 3 voice-activated technology¹ connects your tech with your Lincoln Aviator® SUV, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 10.1" touchscreen. SYNC AppLink®² gives you voice control of compatible mobile apps, too.

APPLE CARPLAY & ANDROID AUTO COMPATIBILITY

Apple CarPlay®³ allows you to connect a compatible iPhone and get access to features like:

- Apple Music®
- Siri,® to send and receive hands-free text messages

Android Auto™⁴ allows you to connect a compatible Android smartphone to get access to features like:

- Google Maps™
- Google Assistant™ virtual personal assistant, for pass-through voice commands

Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Certain restrictions, third-party terms and data rates may apply. See your Distributor for details. *Commands may vary by phone and AppLink software. †Apple CarPlay and its functions are products of Apple® and its terms and privacy statements apply. Requires compatible iPhone and data plan. All features supported in Middle East countries are available. ‡Android Auto and its functions are products of Google™ and its terms and privacy statements apply. Requires compatible Android smartphone with Android Auto app on Google Play™ and data plan. All features supported in Middle East countries are available.

Apple, Apple CarPlay, Apple Music, iPhone and Siri are trademarks of Apple Inc., registered in the U.S. and other countries. Google, Android, Android Auto, Google Assistant, Google Maps and Google Play are trademarks of Google LLC.

STANDARD LINCOLN CO-PILOT360™ 1.5

From help lighting up the night to staying on course, taking the guesswork out of what's behind your vehicle and more, every Aviator driver can benefit from our Lincoln Co-Pilot360 1.5 suite of driver-assist technologies,¹ which includes:

- AUTO HIGH-BEAM HEADLAMPS
- BLIND SPOT INFORMATION SYSTEM
- CROSS-TRAFFIC ALERT WITH BRAKING
- LANE-KEEPING SYSTEM:
INCLUDES LANE-KEEPING AID, LANE-KEEPING ALERT AND DRIVER ALERT SYSTEM
- PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING (AEB):
INCLUDES PEDESTRIAN DETECTION, FORWARD COLLISION WARNING AND DYNAMIC BRAKE SUPPORT
- REAR PARKING SENSORS
- REAR VIEW CAMERA WITH CAMERA WASH

LINCOLN CO-PILOT360 1.5 PLUS

A number of driver-assist technologies¹ are conveniently packaged together as available Lincoln Co-Pilot360 1.5 Plus, including Adaptive Cruise Control, which also features Lane Centering Assist, and Stop-and-Go, to help keep your travels as seamless as possible. Lincoln Co-Pilot360 1.5 Plus includes:

- ACTIVE PARK ASSIST 2.0
- ADAPTIVE CRUISE CONTROL WITH STOP-AND-GO AND LANE CENTERING ASSIST
- EVASIVE STEERING ASSIST
- FORWARD/SIDE/REAR PARKING SENSORS
- REVERSE BRAKE ASSIST

JOURNEY WITH CONFIDENCE

Our extensive collection of available driver-assist technologies¹ utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2022 Lincoln Aviator® SUV.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations.

GLIDE WITH EFFORTLESS GRACE

Imagine if every stretch of road could feel freshly paved. In Aviator Presidential models, it can, thanks to the advanced technologies in the Dynamic Handling Package. Adaptive Suspension with Road Preview helps the vehicle detect upcoming road irregularities, then carry you comfortably over them. Air Glide Suspension optimizes the vehicle’s ride height and spring rates as your load and operating conditions change. With the Dynamic Lower Entry feature activated, the vehicle appears to “kneel” as you approach, graciously lowering by 50 mm to ease your entry. In Deep Conditions mode, it raises 30 mm above normal ride height to improve ground clearance. In Excite mode, it lowers to increase aerodynamics.

¹Horsepower ratings based on premium fuel per SAE J1349® standard. Torque ratings based on premium fuel per ISO 1585 standard. Your results may vary. ²Dimensions shown for base configuration without options, unless otherwise indicated. Dimensions and capacities may vary by model. ³When properly equipped with available Class IV Trailer Tow Package. Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. ⁴Always wear your safety belt and secure children in the rear seat. ⁵Lincoln Licensed Accessory.

IT ALL STARTS with our SYNC® 3 voice-activated technology¹ connecting your tech with your Lincoln®. It puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. SYNC AppLink®² gives you voice control of compatible mobile apps on your connected phone. The system also features compatibility with Apple CarPlay®³ for your iPhone®, or Android Auto™⁴ for your Android™ smartphone.
